

HOUSING QUESTIONNAIRE FOR NEW STUDENTS

Welcome to Idyllwild Arts! We're looking forward to meeting you and introducing you to dorm life. The questions on this form will help us get to know you and match you up with a roommate whose lifestyle and personality will be compatible with yours. Please feel free to add any additional information you or your parents would like us to know.

Roommates are assigned in early September. We do our best to meet special requests (specific roommates or dorms) but reserve the right to make the final assignment. You will learn where you are living and with whom when you come to campus to register for school in September. *We do not provide that information before registration.*

If you have any questions, please call me at (951) 659-2171, x 2516 or email me at ksullivan@idyllwildarts.org. Have a great summer!

Director of Residential Life*
