## TECHNOLOGY AND COMMUNICATIONS

The \$350 Technology Fee supports access to high-speed internet and essential student hardware like computers and tablets, ensuring seamless digital learning. It also covers software licensing, including Adobe Creative Cloud, giving students access to creative and academic tools, supports ongoing maintenance and IT support to keep the network and devices running smoothly. Additionally, the fee covers Titan HST, our emergency communication system, that provides a method for students to communicate to our Emergency Response Team in case of an emergency. This investment ensures our students safety and provides our students with the technology needed to excel in a modern learning environment. This fee DOES NOT cover technical support for students' personal devices.

## HEALTH + COUNSELING CENTERS

The Health Center is open daily with licensed nurses on staff and on call to provide care to all students. Our nurses administer and track medication, provide nursing health visits, coordinate appointments with medical providers, and accompany students to the hospital in case of emergency.

The Idyllwild Arts Academy Counseling Center is open Monday through Friday during the weekdays and provides school counseling services for Social Emotional support. The Counseling Center's goal for the school year is to provide Social Emotional Learning to ALL persons on campus. This is to promote the overall well-being, retention, and success of our diverse student population.

## STUDENT MEDICAL INSURANCE

A student medical insurance policy is mandatory for all boarding and day students. Evidence of medical insurance coverage acceptable by local physicians and hospitals must be provided to the Health Center before a student can stay in the dorms or participate in any programs. International parents are required to purchase medical insurance through the plan offered by Idyllwild Arts.

## MEDICAL AND DENTAL CARE

Parents will be asked to complete a detailed health profile for their student over the summer, which must include proof of immunization and current tuberculosis test required by the state of California. All routine medical and dental care should be completed prior to the opening of school in the fall, or attended to during the periods of fall, winter, and spring holidays. All students must have complete health profiles and be up to date on all required immunizations before staying in the dorms or participating in any programs.

## TRANSPORTATION

The school provides vehicle transportation to Ontario, Los Angeles, and Palm Springs airports for scheduled breaks and vacation. The school also provides transportation for other purposes, such as auditions and medical appointments. Schedules are provided to parents at the beginning of the school year. All transportation fees will be charged to student's incidental account.

## LAUNDRY

Washers and dryers are provided in the dormitories for use by the students, free of charge.

## PERSONAL PROPERTY

Idyllwild Arts does not accept liability for students' belongings at the school. We suggest that parents include their student's belongings in their homeowners insurance.

## TUITION INSURANCE

Idyllwild Arts Academy has elected to participate in a student tuition insurance program that is designed to protect your tuition obligation should your child be withdrawn or dismissed from school.

Coverage is required for all student accounts on payment plans that extend into the school year. It is optional for student accounts that are paid in full prior to the start of the school year. However, tuition insurance is highly recommended for everyone.

## TUITION PAYMENT MANAGEMENT

Idyllwild Arts uses an online tuition platform for their online tuition and fees management. Each family is required to have an account in the system and will be expected to make their tuition and other fee payments through the system. Payment arrangements and communications should go through our finance office; please contact [studentbilling@idyllwildarts.org](mailto:studentbilling@idyllwildarts.org) with questions. Enrollment deposits will be coordinated through our Admissions office upon signing the enrollment agreement.

## INCIDENTAL ACCOUNT MANAGEMENT

Idyllwild Arts uses Campus Card Account, an incidental billing management system, to manage student charges that take place on campus throughout the year. Once signed up for Campus Card Account, you will be able to view your child's incidental account and monitor their spending as it happens. Students can only use their ID cards to make purchases if there is an incidental deposit on their account. If you have not paid an incidental deposit, you can do so by paying the deposit through the Finance Office, or you can add funds directly to your Campus Card Account via credit card.

## PAYMENT PLANS

The Arts Academy provides options for families who wish to finance their student's education through flexible payment plans. Contact the Admission Office for more information.

## HOMESTAY PROGRAM

Idyllwild Arts Academy provides homestays for boarding students who need to stay in Idyllwild over fall or spring break. Homestay hosts are school employees, and groups of homestay students may be housed in a school property on or off campus, or at a homestay host's house in Idyllwild or Pine Cove.
